

GLASS ART® *brought to you by*

LIMITED 50 YEAR WARRANTY

Thank you for choosing OM STONE to design a tribute for your loved one. We at OM STONE are committed to creating an extraordinary work of art. The piece you have chosen is cared for by our staff as a commissioned work of art and your memorial will be crafted by our small team of talented artists. It is our commitment to provide you the perfect piece of memorial art. Again, thank you for choosing OM STONE.

GLASS ART® images by OM STONE are warranted against all workmanship defects for 50 years. When GLASS ART® is produced, the colors are unusually bright and will settle to their long term appearance within a 24 month period. The initial slight color muting along with surface texture changes are normal and expected.

Concerns not covered include damage great enough to affect the granite itself, granite instability, cleaning with aromatic solvents, or acts of God outside the normal course of events. Cleaning should only be done with approved methods and products such as mild detergents such as Joy or Dawn and those void of citrus proprieties.

This Warranty extends to the original purchaser and the purchaser's heirs or assignees. This Warranty is valid in perpetuity and becomes effective upon the date when the terms and conditions of the purchase agreement have been met between the purchaser and **Authorized GLASS ART® Agent.**

Should any work be performed on this memorial by another entity other than OM Stone after installation, this Limited Warranty becomes null and void. This Limited Warranty may also be subject to separate requirements imposed by state law.
